## **V. FEEDBACK**

*“ The UAE national day celebration we held last school year gave us a wonderful opportunity to showcase our creativity through the posters we made, which reflected the beauty of the UAE. A country that has become a second home for many of us, far from the Philippines. The quizzes that we took also helped us learn more about the UAE, its different Emirates, tourist attractions, and of course its history. Through that celebration, we were able to appreciate and better understand the unique and diverse culture that the UAE shares with us”*

- Minzylle Marie ( Grade 9 - AM student )

*“ Our UAE national day celebration at SRA was a heartfelt tribute to the UAE’s rich history, culture, and achievements. It was more than just an event, it was a moment for all of us to come together as a community, reflect on our shared values, and celebrate the spirit of unity that defines this nation. From traditional decorations and cultural displays to shared moments of pride and joy, the atmosphere was filled with energy, connection, and appreciation.*
