MONTHLY EVENT REPORT

Events: Sportsfest

DATE: January 25-26, 2025

Main Focus: “To highlight the SSG’s commitment to fostering a vibrant and connected school community through sports and service.”

I. REPORT

As part of **Sportsfest 2025**, the Supreme Student Government played a key role in boosting the event's atmosphere and accessibility by organizing and operating a well-received **food stall**. Held at **ICS Khalidiyah, Abu Dhabi**, the stall provided students, teachers, and families with affordable, home-cooked meals and refreshments throughout the two-day celebration. This initiative demonstrated the SSG’s dedication to meaningful service, teamwork, and enhancing the overall school experience.

- **Logistical Coordination:** Despite the pressure of handling food preparation and sales across two busy days, the SSG rotated members to ensure that the booth remained open and clean. Some delays were encountered during peak hours, but the team adapted quickly and maintained efficient service.

II. OBJECTIVE

The goal of the SSG food stall was to serve the school community during Sportsfest with affordable and enjoyable food, encourage collaboration among student leaders, and use the experience as a model for future fundraising and service initiatives.

III. GROWTH HIGHLIGHTS

- SSG officers coordinated effectively, managing cooking, preparation, sales, and cleanup across both days.
- The stall operated on a limited budget and still generated positive results, highlighting the SSG’s growing financial responsibility.
- The stall brought students and staff together not just as buyers and sellers—but as part of one united school community.
- The experience gave SSG members hands-on training in responsibility, planning, and real-time problem-solving.
